

# HISTORY LESSONS

1

## TREAT YOURSELF

Pop into Reiter's Bakery for exceptional morning pastries and beverages.

4

## ON THE FLY

Lunch at Breezy's Airport Cafe for diner grub at its finest. Be sure to poke around at our small but mighty airport while you are at it.

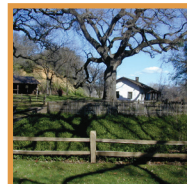

2

## WALK BACK IN TIME

Take a self-guided Victorian Walking Tour. Park on Crittenden and explore the impressive homes lining our "president" streets.

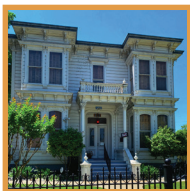

5

## UP FOR MORE?

If you're still up for a bit more, toss Ide Adobe State Park into the mix. Nestled on the Sacramento River, this historical gem is worth a peek.

3

## MUSEUM TIME

Visit the Tehama County Museum (open Saturdays) or Kelly Griggs (make an appointment) to brush up on your local history.
